# EXPLANATORY NOTES TO THE BUSINESS TO BE PROPOSED AT THE AGM

The notes on the following pages give an explanation of the proposed resolutions.

Resolutions 1 to 10 (inclusive) are proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 11 and 12 are each proposed as a special resolution. This means that for each of those resolutions to be passed, at least three quarters of the votes cast must be in favour of the resolution.

## **Resolution 1: Report and Accounts**

The directors must present to the members of the Company at the AGM the accounts of the Company and the reports of the directors and auditors for the twelve month period ended 31 December 2015.

## **Resolutions 2 to 7: Re-election of Directors**

In accordance with the articles of association of the Company (“**the Articles**”) all of the directors of the Company as at the date of the notice convening the AGM will retire by rotation at the AGM and will seek to be re-elected as directors of the Company.

Following formal performance evaluation, the Board has determined that each of the directors’ performance continues to be effective and each of the directors continues to demonstrate commitment to his role.

## **Resolutions 8 and 9: Reappointment of Auditors and Auditors’ Remuneration**

BDO LLP has agreed to continue as the Company’s auditor until the conclusion of the next general meeting at which the accounts are laid before the Company. Resolution 8 proposes the reappointment of BDO LLP and Resolution 9 authorises the Board to determine the auditors’ remuneration.

## **Resolution 10: Authority to Allot Shares**

This resolution would give the Directors the authority to allot ordinary shares of £0.01 each in the capital of the Company (“**Ordinary Shares**”) or grant rights to subscribe for or convert any securities into Ordinary Shares up to (i) an aggregate nominal amount of £217,673.08 (representing 21,767,308 Ordinary Shares) and (ii) a further aggregate nominal amount of £217,673.08 (representing 21,767,308 Ordinary Shares) in the circumstances of a rights issue (or equivalent offering). These amounts each represent approximately one third of the issued ordinary share capital of the Company as at 7 June 2016, being the latest practical date prior to publication of the Notice of the AGM and together, in circumstances of a rights issue would amount to approximately two thirds of the issued ordinary share capital of the Company as at 7 June 2016, being the latest practical date prior to the publication of the Notice of the AGM.

The authority being sought pursuant to Resolution 10, replaces the existing authority granted at the last General Meeting of the Company.

The authority and power pursuant to Resolution 10 will expire on the earlier of 15 months from the date Resolution 10 is passed or the conclusion of the Company’s next AGM.

## **Special Resolution 11: Disapplication of Pre-emption Rights**

This resolution, which is conditional upon Resolution 10 being passed, would give the Board the authority to allot Ordinary Shares (or sell any Ordinary Shares which the Company elects to hold in treasury) for cash without first offering them to existing shareholders in proportion to their existing shareholdings. This Resolution, when coupled with Resolution 10, would allow the Board to proceed to seek to raise funds limited to the amount authorised by Resolution 11, otherwise than through a pre-emptive offer or rights issue to shareholders, should the Board decide, for example, that the costs and delay of such a pre-emptive offer or rights issue would be prohibitive or otherwise undesirable.

This authority would be limited to an aggregate nominal amount of £65,301.92 (representing 6,530,192 Ordinary Shares). This aggregate nominal amount represents approximately ten per cent of the issued ordinary share capital of the Company as at 7 June 2016, being the latest practical date prior to the publication of the Notice of the AGM.

As with Resolution 10, the authority being sought pursuant to Resolution 11, replaces the existing authority granted at the last General Meeting of the Company.

The authority and power pursuant to Resolution 11 will expire on the earlier of 15 months from the date of Resolution 11 being passed or the conclusion of the Company’s next AGM.

## **Special Resolution 12: Change of Company Name**

This resolution will change the name of the Company to GAN plc. The directors are all of the view that the business of the Company will be more effectively undertaken with the name GAN plc than is the case with the Company’s current name.

There is currently a company in existence named GAN Limited which the company has agreed to change its name in order to permit the Company to adopt its proposed new name. It is for this reason that resolution 12 is expressed as being conditional on GAN Limited changing its name.

- 3 Forms for the appointment of a proxy in respect of the meeting have been provided to members with this Notice of meeting. To be valid, a proxy appointment form must be completed in accordance with the instructions that accompany it and then delivered (together with any power of attorney or other authority under which it is signed, or a certified copy of such item) to Capita Asset Services, PXS, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU so as to be received by 10.00am on 28 June 2016. Alternatively, a member may appoint a proxy online by following the instructions for the electronic appointment of a proxy at Capita: [www.capitashareportal.com](http://www.capitashareportal.com). To be a valid proxy appointment, the member's electronic message confirming the details of the appointment completed in accordance with those instructions must be transmitted so as to be received by the same time.
- 4 CREST members who wish to appoint one or more proxies through the CREST system may do so by using the procedures described in "the CREST voting service" section of the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed one or more voting service providers, should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment or a proxy instruction made using the CREST voting service to be valid, the appropriate CREST message (CREST proxy appointment instruction) must be properly authenticated in accordance with the specifications of CREST's operator, Euroclear UK & Ireland Limited (Euroclear), and must contain all the relevant information required by the CREST Manual. To be valid, the message (regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy) must be transmitted so as to be received by Capita Asset Services (ID RA10) as the Company's "issuer's agent", by 10.00am on 28 June 2016. After this time any change of instruction to a proxy appointed through the CREST system should be communicated to the appointee through other means. The time of the message's receipt will be taken to be when (as determined by the timestamp applied by the CREST Applications Host) the issuer's agent is first able to retrieve it by enquiry through the CREST system in the prescribed manner. Euroclear does not make available special procedures in the CREST system for transmitting any particular message. Normal system timings and limitations apply in relation to the input of CREST proxy appointment instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or a CREST sponsored member or has appointed any voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as is necessary to ensure that a message is transmitted by means of the CREST system by any particular time. CREST members and, where applicable, their CREST sponsors or voting service providers should take into account the provisions of the CREST Manual concerning timings as well as its section on "Practical limitations of the system". In certain circumstances the Company may, in accordance with the Uncertificated Securities Regulations 2001 or the CREST Manual, treat a CREST proxy appointment instruction as invalid.
